

## TO WHOM IT MAY CONCERN

### Discontinuation Letter

April 30, 2018

Dear Customer,

Following Aerodata's board decision, this letter serves as formal notification that Aerodata AG will discontinue the AeroPhone product line including all accessories as of **April 30, 2018**.

The discontinuation applies to the following part numbers:

- Satellite Transceiver Unit
  - AD-STUI-0100
  - AD-STUI-0200
- Cockpit Dial Panel
  - AD-CDP-01-(01)
- WLAN Adapter
  - AD-WLAN-0100
- Wired Hand Set
  - AD-WHS-01-(02)
  - AD-WHS-01-(03)

As far as possible, we will provide support and repair until April 30, 2019 for the above part numbers. However, any warranty obligations are not affected.

For the older parts

- AD-STUI-01-(00)
- AD-STUI-01-(01)
- AD-STUI-01-(02)
- AD-STUI-01-(03)
- AD-CDP-01-(00)
- AD-WHS-01-(00)
- AD-WHS-01-(01)

we will provide support and repair for convenience only.

Please contact our support team (avionics.support@aerodata.de) in case of any questions. We will do our utmost to support you.

Aerodata will maintain Continued Airworthiness of AeroPhone and related STCs developed by Aerodata.

Aerodata AG appreciates and values our partnership. We regret any inconvenience this announcement may cause.

If you are an AeroPhone dealer or a maintenance organization, please inform end-customers accordingly.

Sincerely,

ppa. Hans-Georg Niemöller  
- Director CC-S -

i.V. Jörg Bendisch  
- Sales Manager CC-S -

## TWO WHOM IT MAY COCERN

### End of AeroPhone<sup>®</sup> Support

May 02, 2019

Dear Customer,

Referring to our discontinuation information letter dated April 30, 2018, we would like to advise you that the regular technical support for all Aerodata furnished AeroPhone<sup>®</sup> products has ended by **April 30, 2019**. However, any warranty obligations are not affected.

As far as possible and subject to availability of spare parts and resources, we may provide support and repair as concession from us. This shall not constitute any obligation on Aerodata.

Please contact our support team (avionics.support@aerodata.de) in case of questions.

Aerodata will maintain Continued Airworthiness of AeroPhone<sup>®</sup> and related STCs developed by Aerodata.

If you are an AeroPhone<sup>®</sup> dealer or a maintenance organization, please inform end-customers accordingly.

Sincerely,  
Aerodata AG

ppa. Hans-Georg Niemöller  
- Director CC-S -
